

HydroGEN
Advanced Water Splitting Materials

Registration is Open

October 24-25, 2018

Thank you for Pre-Registering

Advanced Water Splitting Technology Pathways Benchmarking & Protocols Workshop

Location: Arizona State University - Tempe, AZ

Objectives:

- To understand needs of the community for effective comparison of results based on surveys
- To review and refine draft frameworks for standardized testing by component or configuration
- To have face-to-face discussions about protocol development in breakout sessions
- To refine methodologies based on community engagement
- To leverage international efforts to increase harmony across the field
- To realize increased usage of database and Zotero capability for community benefit

<https://www.eiseverywhere.com/ereg/newreg.php?eventid=359829&>

After registering (\$50 fee), your confirmation email will provide a link for the Hotel Accommodations. We have a room block at the Graduate, the conference hotel, and at the Moxy (0.6 miles walking,) both at a rate of \$124/night. If you prefer, there are several other hotels in the Tempe Downtown/University Area; ask for the ASU rate. Please make your hotel reservation soon as it is a busy time of year in Tempe. **Please join us for the opening reception for an additional \$8. In addition to appetizers, there will be a cash bar.**

Workshop Organizers:

Kathy Ayers <kayers@protononsite.com>; **Ellen Stechel** <Ellen.Stechel@asu.edu>
Chengxiang (CX) Xiang <cxx@caltech.edu>; **Olga Marina** <Olga.Marina@pnnl.gov>
